GC/CM INSTRUCTIONS FOR PROPOSERS

Selection of the GC/CM Section 3.2

The Project Information Meeting and Tour of the Site has been extended by three (3) days. Accordingly, the third RFP Schedule item, Project Information Meeting for Presentation of the Pre-Design and a Tour of the Site, is revised to read as follows:

“3/10/05 Project Information Meeting for Presentation of the Pre-Design and a Tour of the Site. This meeting is not mandatory. It will be held at 10:00 a.m. at the Anacortes Ferry Terminal Building.”

Interview Section 10.11

Delete the entire text in Section 10.11 and replace with the following new text:

“Section 10.11 Interview (35 points). Following the initial proposal evaluations, the Evaluation Committee will establish a competitive range of proposals for further consideration based on the scoring of Items (10.1) through (10.10). The decision will identify each proposal as acceptable or unacceptable. The decision will include: (i) a copy of the completed initial proposal evaluations; (ii) an evaluation specifying the strengths and weaknesses of each proposal; and (iii) any reservations, qualifications or areas to be addressed that affect inclusion in the competitive range. The decision may also include specific points and questions to be raised during interviews with the Proposers.

The highest ranked Proposers in the competitive range will be invited to interview with the Selection Committee. No more than three (3) Proposers will be considered for interviews and the actual number may be less than three.

WSF will formally notify all Proposers whether they are within the competitive range. Only those proposals within the competitive range will be allowed to proceed in the RFP process.”
